## EDUCATION

**Shenyang Aerospace University** 2023 - Jun 2027 (expected)

Bachelor's degree candidate in Environmental Design | **Ranked 8th in the major by cumulative GPA**

## EXPERIENCE

**Banxing Youth** | Publicity & Content Volunteer Since Jun 2024

- Designed publicity posters using supplied assets; completed **10+ rounds of production and revision** with the coordinator, with approved work published.
- Edited podcasts by trimming pauses, reordering segments, reducing noise and adding background music.
- Assisted with course scheduling; completed **52 service sessions totaling 93 hours** as of Aug 2025, documented by the organization.

**School of Design and Arts, Audiovisual Team** | Member 2+ years

- Photographed and filmed campus sports events, speeches and other activities, gaining **over two years of practical shooting experience**.

**Fast Retailing (China) Trading Co., Ltd.** | Part-time Sep - Nov 2025

- Counted and organized clothing to support daily operations at the Santaizi store in Shenyang.

**Additional experience:** Led a course field-sketching group on site visits and sketching activities.

## PROJECTS

**Taxia Food Workshop** | Cultural Experience Concept & Website Course project

- Developed a cultural experience concept inspired by Xita, arranging courtyards, an open kitchen and communal tables; produced presentation slides and display boards using reference models and AI images.
- Used AI to build a public website presenting the space, visitor routes and **five cooking workshops**, with workshop selection and a booking-flow demonstration.

**Library Renewal / Connected Living** | 3D Modeling & Presentation Course projects

- Independently modeled a library exterior and glass roof from drawings; combined analytical diagrams and AI scene images into presentation boards.
- Created AI concept images and 3D models for a Xiaomi showroom assignment; refined the model and board layout in response to feedback, **passing the course review**.

**Personal Visual & Creative Projects** | Photography, Video & Illustration Independent

- Coordinated transport, accommodation, meals and sightseeing for a **two-person, approximately 15-day trip to Japan**. Resolved a one-night booking shortfall with the host via Airbnb, retrieved all belongings and arranged an extra night.
- Published a Japan travel video on Douyin; independently filmed **21 days of travel in Europe** on a smartphone. Currently editing a personal-growth film with a planned runtime of **30-40 minutes**.
- Created character and anime-style illustrations in Photoshop and published image-and-text posts on Douyin.

## SKILLS & TOOLS

**Visual & audiovisual:** Photoshop (image editing, layout, illustration); Lightroom (photo color grading); DaVinci Resolve (video editing).

**Spatial design & AI:** CAD drafting; SketchUp and Rhino modeling; D5 Render; AI-assisted concept images, prompt iteration and website creation.

**Office & collaboration:** Word, PowerPoint and Excel for documents, presentations and spreadsheets; proficient with Feishu Docs and WeCom.

## HONORS & CERTIFICATIONS

**21 awards in total.** Selected: Excellence Award, Student Architectural Sketching Category, 22nd China Hand-drawn Art & Design Competition (2025, two-person entry); Third Prize at university level, NCDA Competition (2024, team entry).

**Three-time recipient of the Third-Class Comprehensive Scholarship.** Passed Levels A and B of the Practical English Test for Colleges (PRETCO).
