Education

Shenyang Aerospace University · Bachelor's in Environmental Design — Sep 2023 - Jun 2027 (expected)
School of Design and Art. Cumulative GPA rank: **8/41**; received **three third-tier comprehensive scholarships**.

Content & Activity Experience

Banxing Youth (伴行青年) · Volunteer | Community & Content Support
- Shared activity notices and reminders in the volunteer community; helped participants join online talks via Tencent Meeting.
- Created **over 10 promotional posters in Canva** from supplied topics and speaker details; revised layouts and element positions through online feedback. Approved work was published.
- Edited recordings in **DaVinci Resolve**, selecting highlights from listening notes, adding music and revising at requested timestamps; contributed episodes were published on Xiaoyuzhou.
- Assisted with program arrangements and volunteer services: **52 sessions and 93 hours**, documented in August 2025.

School Audiovisual Team · Member | Event Photography & Video — Sep 2024 - Oct 2026
- Photographed and filmed sports meets, lectures and speech events, choosing framing and timing to document participants and the atmosphere.

Part-time Experience

Shenyang Bingfeng Refrigeration · Contract Documentation — Dec 2025 - Oct 2026
Refrigerated cabinets and display cases for wholesale-market vendors, restaurants, businesses and individuals.
- Prepared, revised and formatted contracts in **Word**; used ChatGPT to help check wording and omissions.

Fast Retailing (China) · Part-time | Shenyang Santaizi Store — 2025
- Counted and organized garments and completed assigned store tasks with colleagues.

Projects & Creative Work

Taxia Food Studio · Course Team Leader | Cultural Experience & Website — Jan - Jun 2026
- Planned a course-project experience route near Yanshou Temple, Xita, Shenyang, linking a courtyard, open kitchen and shared table.
- Combined reference models and AI-assisted scenes into **slides, boards and a public project website** showing the space, route and **five cooking classes**, with class selection and a booking-flow demo.
  Project demo: chenzhennan010.github.io/taxia-booking/

Independent Video & Illustration · Personal Projects — Jul 2024 - Oct 2026
- Shot, organized and edited travel footage from Japan; **all completed videos were published on Douyin, Bilibili and YouTube**.
- Independently filmed a **21-day European trip**; the travel and personal-growth film is still in editing.
- Created character and anime-style illustrations in Photoshop and published illustrated posts on Douyin.

Regenerative Library / Xiaomi Ecosystem Showroom · Course Projects — Jan - Jun 2026
- **Independently modeled the library exterior and glass roof** from course drawings; combined diagrams and AI-assisted scenes into course boards.
- Created concept images, models and boards for a Xiaomi ecosystem-showroom course project; revised layouts after instructor feedback and **passed the course review**.

Skills & Awards

Content: Canva, Photoshop image editing and layout, Lightroom, DaVinci Resolve video/podcast editing.
